CONFERENCE COMMITTEE REPORT ON SENATE BILL NO. 49

Mr. Tennyson submitted the following conference committee report on Senate Bill No. 49:

Committee Room,
Austin, Texas, May 1, 1935.
Hon. Walter F. Woodul, President of the Senate, and Hon. Coke Stevenson, Speaker of the House of Representatives.

Sirs: We, your conference committee, to whom was referred Senate Bill No. 49, have had the same under consideration, and we recommend to the House of Representatives and to the Senate that said bill pass in the form attached hereto.

"S. B. No. 49,

A BILL

To Be Entitled

An Act amending Article 297 of the Penal Code and Article 2892 of the Revised Civil Statutes, 1925, providing for the compulsory attendance of children in the public schools, and declaring an emergency."

Be it enacted by the Legislature of the State of Texas:

Section 1. That Article 297 of the Penal Code, as amended by the Acts of 1915 and the Acts of 1923, be, and the same is hereby, amended so as hereafter to read as follows:

"Article 297. Every child in the State who is seven years and not more than sixteen years of age shall be required to attend the public schools in the district of its residence, or in some other district to which it may be transferred as provided by law, for a period of not less than one hundred and twenty days. The period of compulsory school attendance at each school shall begin at the opening of the school term unless otherwise authorized by the district school trustees and notice given by the trustees prior to the beginning of such school term; provided that no child shall be required to attend school for a longer period than the maximum term of the public school in the district where such child resides."

Sec. 2. That Article 2892 of the Revised Civil Statutes, 1925, be, and the same is hereby, amended so as hereafter to read as follows:

"Article 2892. Every child in the State who is seven years and not more than sixteen years of age shall be required to attend the public schools in the district of its residence, or in some other district to which it may be transferred as provided by law, for a period of not less than one hundred and twenty days. The period of compulsory school attendance at each school shall begin at the opening of the school term unless otherwise authorized by the district school trustees and notice given by the trustees prior to the beginning of such school term; provided that no child shall be required to attend school for a longer period than the maximum term of the public school in the district where such child resides."

Sec. 3. The fact that the State of Texas makes a substantial per capita apportionment each year to aid in the education of children from seven years old to sixteen, and that many children between these ages are not required to attend the public schools, or other schools, and thereby the public welfare and the welfare of these children are injured, creates an

emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each house, be, and the same is hereby, suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Respectfully submitted,

ONEAL,
WESTERFELD,
DAVIS,
COTTEN,
BURNS,

On the part of the Senate;

TENNYSON,

SENATE BILL NO. 510 ON SECOND READING

On motion of Mr. Roane, the regular order of business was suspended to take up and have placed on its second reading and passage to third reading,

S. B. No. 510, A bill to be entitled "An Act providing for relief for the Independence Common School District of Henderson and Kaufman Counties, Texas, in order to aid said district in rebuilding its properties and equipping its school which was destroyed by fire on the fourth day of March, A. D. 1935; providing for work relief; making an appropriation to said district for said property, and declaring an emergency."

The Speaker laid the bill before the House, and it was read second time.

Mr. Settle offered the following amendment to the bill:

Amend Senate Bill No. 510, page 1, Section 1, by striking out the words and figures "eight thousand dollars (\$8,000)" and insert in lieu thereof the words and figures "five thousand dollars (\$5,000)."

The amendment was adopted.

Mr. Adkins offered the following amendment to the bill:

Amend Senate Bill No. 510 by adding the following and changing the section numbers to conform:

"Section 1. That by reason of the destruction by fire in the Algerita Community of San Saba County, Texas, recently, destroying the school building entirely; and by reason of the drought conditions existing in said area for previous years, resulting in a decrease of property values and inability of taxpayers to pay their taxes, and the fact that said common school district now has a bonded indebtedness, is not authorized to vote any additional bonded indebtedness, and in view of the fact that all roads in that section of the community are unimproved dirt roads, and the further fact that it is several miles to the nearest adjoining school and that there are no bus facilities, creates and results in a great public calamity to said district, requiring the rebuilding of said school building to provide educational facilities for the school children of

said common school district, that by reason thereof there is here appropriated to the said Algerita Common School District No. 28 of San Saba County, Texas, the total sum of one thousand three hundred dollars (\$1,300), to be used as follows:

"For the purpose of constructing, repairing and rehabilitating said school building of said district, said appropriation to be out of the General Funds or out of funds not otherwise appropriated.

"Sec. 2. It is further provided that the Texas Relief Commission shall authorize and empower the local relief officers of San Saba County, Texas, to furnish whatever labor possible, and to assist whenever possible in the rebuilding of said school building.

"Sec. 3. It is further provided that the money herein appropriated can not be paid out except on warrants of the Comptroller on sworn accounts by the trustees of said common school district and as the same is needed in the construction and equipping of said school building."

The amendment was adopted.

Mr. Alsop offered the following amendment to the bill:

Amend Senate Bill No. 510 by adding a new section to read as follows:

"Because drought conditions have created a public calamity in Panola County, there is hereby appropriated \$1,000 out of the General Revenue Fund of the State to the Gary Common School District of Panola County, to rebuild school building destroyed by fire, which resulted in further increasing the calamity."

The amendment was adopted.

Mr. Roane offered the following amendment to the bill:

Amend Senate Bill No. 510 by adding the following and changing the section numbers to conform:

"Section 1. That by reason of the destruction by fire in the Brown Community of Fort Bend County, Texas, recently, destroying the school building entirely; and by reason of the drought conditions existing in said area for previous years, and flood conditions in certain years, resulting in a decrease of property values and inability of taxpayers to pay their taxes, and the fact that said common school district is not authorized to vote any additional bonded indebtedness, and in view of the fact that all

roads in that section of the community are unimproved dirt roads, inaccessible in wet weather, and the further fact that it is at least fourteen miles to the nearest adjoining school and that there are no bus facilities, creates and results in a great public calamity to said district, requiring the rebuilding of said school building to provide educational facilities for the school children of said common school district, that by reason thereof there is here appropriated to the said Brown Common School District No. 13 of Fort Bend County, Texas, the total sum of one thousand dollars (\$1,000), to be used as follows:

"For the purpose of constructing, repairing, and rehabilitating said school building of said district, said appropriation to be out of the General Funds or out of funds not otherwise appropriated.

"Sec. 2. It is further provided that the Texas Relief Commission shall authorize and empower the local relief officers of Fort Bend County, Texas, to furnish whatever labor possible, and assist whenever possible in the rebuilding of said school building.

"Sec. 3. It is further provided that the money herein appropriated can not be paid out except on warrants of the Comptroller on sworn accounts by the trustees of said common school district and as the same is needed in the construction and equipping of said school building.

ROANE,
CLAYTON.

The amendment was adopted.

Mr. Broyles offered the following amendment to the bill:

Amend Senate Bill No. 510 by adding the following as a new section, and renumber the other sections to conform:

"Sec. —. By reason of the complete destruction of the school building and equipment of the Edom Independent School District in Van Zandt County, Texas, by fire which occurred during the year 1934, and which destroyed the library, maps and charts of said school; and by reason of the fact that all the insurance was consumed in replacing a smaller building and that said district has pledged local maintenance taxes, to the extent of \$2,300, to slightly equip said building and is not able to replace the library, maps and charts so destroyed by fire, and if

such library, maps and charts are not so replaced, such school district will lose its privilege of receiving rural State aid for the current year and for several years hence, thereby will lose its classification as a four-year high school; there is hereby appropriated, for the purpose of replacing the library, maps and charts in said school, the sum of five hundred dollars (\$500), or so much thereof as may be necessary, to be paid by the warrants of the Comptroller on sworn accounts, when such library, maps and charts have been duly purchased and installed."

The amendment was adopted.

Mr. Wood of Harrison offered the following amendment to the bill:

Amend Senate Bill No. 510 by adding a new section, to be known as Section —, to read as follows:

"Sec. —. The fact that the Rural Rehabilitation Department of the Texas Relief Commission has moved into the Darco Community of Harrison County, over 100 families, and the fact that the families moved into this community, are relief clients, and have no means of paying taxes, and the fact that the majority of the land in said community is owned by the Federal Land Bank, creates a great public calamity to said district which causes the conditions to said school to be crowded; there is hereby appropriated \$1,000 to the Darco Common School District for relief."

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes, and to the body of the bill.

Senate Bill No. 510 was then passed to third reading, by the following vote:

SENATE BILL NO. 143 ON SECOND READING

On motion of Mr. Fuchs, the regular order of business was suspended to take up, and have placed on its second reading and passage to third reading,

S. B. No. 143, A bill to be entitled "An Act prohibiting any owner or person having control of any horse, mule, donkey, cow, bull, steer, hog, sheep, goat, or any other live stock from permitting or allowing the same to traverse or roam at large upon the right of way of any designated State highway of this State, and declaring an emergency."

The Speaker laid the bill before the House, and it was read second time.

Mr. Fuchs offered the following committee amendment to the bill:

Amend Senate Bill No. 143 by striking out all below the enacting clause and substituting in lieu thereof the following:

"Section 1. Any person owning or having control of any horse, mule, donkey, cow, bull, steer, hog, sheep, goat, or any other live stock who permits or allows the same to graze, traverse or roam at large unattended on the right of way of any designated State highway outside of the limits of any village, city, or town in this State, and where such highway is fenced on both sides, shall be guilty of misdemeanor and upon conviction shall be fined in any sum not exceeding two hundred dollars (\$200).

"Each day that such animal as aforesaid is allowed or permitted to so roam at large unattended on the right of way of any designated State highway outside of the city limits of any village, city, or town in this State, where same is enclosed on both sides by fences, shall constitute a separate offense and proof of the fact that a highway is maintained by the State Highway Department shall be sufficient to establish that same is a designated State highway, and the term 'permit' as used in this Act shall

mean that an owner or person having control of such live stock has not confined, hindered, restrained, or otherwise prevented said live stock from running at large.

"It is further provided that the State Highway Patrolmen, as well as local enforcement officers, shall have the power and authority and it shall be their duty to enforce all the provisions of this Act.

"Sec. 2. Notwithstanding the provisions of Articles 6928 to 6953, inclusive, of the 1925 Revised Civil Statutes of the State of Texas; provision of Article 6954 of the 1925 Revised Civil Statutes of the State of Texas as amended by Acts, 1926, Thirty-ninth Legislature, First Called Session, page 17, Chapter 11, Section 1; Acts, 1927, Fortieth Legislature, page 363, Chapter 245, Section 1; Acts, 1929, Forty-first Legislature, page 9, Chapter 5, Section 5, Section 1; Acts, 1929, Forty-first Legislature, First Called Session, page 185, Chapter 71, Section 1; Acts, 1929, Forty-first Legislature, Third Called Session, page 240, Chapter 8, Section 1; Acts, 1930, Forty-first Legislature, Fourth Called Session, page 25, Chapter 15; Acts, 1931, Forty-second Legislature, page 781, Chapter 313; Acts, 1933, Forty-third Legislature, Special Laws, page 57, Chapter 48, the provisions of Article 6955 of the 1925 Revised Civil Statutes of the State of Texas as amended by Acts, 1930, Forty-first Legislature, Fourth Called Session, page 28, Chapter 17, Section 1; and the provisions of Articles 6956 to 6971, inclusive, of the 1925 Revised Civil Statutes of the State of Texas, and notwithstanding the results of any elections heretofore or hereafter held in accordance therewith, this Act, wherein it conflicts with the above named statutes, shall be controlling as to the territorial limits herein affected.

"Sec. 3. The fact that at the present time there are no State laws prohibiting live stock or animals from roaming at large on the right of way of any enclosed State designated highway of this State, the importance of this Act and the need for its immediate enforcement create an emergency and an imperative public necessity which demands that the constitutional rule, requiring bills to be read on three several days before final passage, be suspended, and the same is hereby suspended, and this Act

shall take effect and be in force from and after its passage, and it is so enacted."

Question—Shall the amendment by Mr. Fuchs be adopted?

SENATE BILL NO. 17 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 17, A bill to be entitled "An Act amending Article 650 of the Code of Criminal Procedure of the State of Texas, and repealing Article 651 and Article 711 of the Code of Criminal Procedure of the State of Texas, and declaring an emergency."

The bill was read second time.

Mr. McCalla offered the following committee amendments to the bill:

Amend Senate Bill No. 17 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. That the law of severance as a matter of right in all criminal actions in this State be, and the same is hereby, abolished, and hereafter all persons properly and legally charged with the commission of the same criminal offense, either in the same or separate indictments, informations or complaints, may be placed upon trial at the same time, as in the sound discretion of the trial judge may seem best, and all persons so charged shall be allowed to testify fully therein, and may be introduced

as witnesses for themselves or for each other.

"Sec. 2. That Articles 650, 651, 652, and 653 of the Code of Criminal Procedure of the State of Texas, as revised in 1925, and Articles 711 and 82 of the Penal Code of the State of Texas, as revised in 1925, be, and the same is hereby, repealed, and all other laws or parts of laws in conflict herewith, be, and the same are hereby, repealed.

"Sec. 3. The fact that the law of a severance in criminal cases in this State is resulting in a useless expenditure of large sums of money, and often in the escape from punishment of many guilty persons in this State, creates an emergency and a public necessity, requiring the suspension of the rule requiring the reading of this Act on three separate days, and such rule is hereby suspended.

Amend Senate Bill No. 17 by striking out all above the enacting clause and inserting in lieu thereof the following:

"S. B. No. 17, A bill to be entitled 'An Act abolishing and repealing the law of severance in all criminal cases in this State; repealing Articles 650, 651, 652, and 653 of the Code of Criminal Procedure of the State of Texas, as revised in 1925, and repealing Article 82 and Article 711, Penal Code of the State of Texas, as revised in 1925, and declaring an emergency'."

The amendments were severally adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes, and with the body of the bill.

Senate Bill No. 17 was then passed to third reading.

HOUSE BILL NO. 27 ON SECOND
READING

The Speaker, in accordance with the provisions of House Concurrent Resolution No. 104, laid before the House, on second reading and passage to engrossment,

H. B. No. 27, A bill to be entitled "An Act authorizing and requiring the governing board of The University of Texas, the Agricultural and Mechanical College of Texas, the State Teachers Colleges, the College of Arts and Industries, and the College of Industrial Arts at Denton to establish and maintain at each institution under the control of such board a book store; etc., and declaring an emergency."

The bill was read second time.

Mr. Alsop offered the following committee amendment to the bill:

Amend House Bill No. 27 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. The board of regents or the governing body of each State institution of higher learning in the State of Texas shall provide a State book depository to furnish textbooks for students enrolled in each institution beginning the school year September, 1935.

"Sec. 2. The board of regents or governing body of each institution shall purchase the necessary textbooks out of the tuition fund or local fund of each institution, to be used for the school year beginning September, 1935, but shall repay the original amount used from the local or tuition fund, from textbook fees charged for buying books for 1935, from time to time as is possible. Beginning the school year, September, 1935, and each term of each school year thereafter, the said governing body of each institution of higher learning shall charge a textbook fee to each student enrolled, so that the aggregate amount of fees will be sufficient to replace books that are worn out or lost, additional books, or new textbooks adopted, records, salaries, supplies in handling the textbooks, and to repay the original amount used from the tuition or local fund for buying the textbooks. Provided further, that the textbook fees charged shall not be in excess of the amount necessary to carry out the above provisions. A schedule of fees may be adopted, if found necessary, for different divisions in each school.

"Sec. 3. The students at the end of each term or before, if desired, shall return the textbooks furnished by the institution in which they are enrolled, and if the books are damaged or if any books are not accounted for, each student shall pay an amount deemed necessary by the book custodian. A book deposit may be required from each student but shall be returned at the time the books are returned, if all books are accounted for and not damaged. The governing board of each institution may adopt any other rules or regulations not named in this Act to make this law effective.

"Sec. 4. Such fees collected by each institution of higher learning shall be placed in a fund known as the Textbook Fund and no disbursement from

this fund shall be made except for necessary textbooks, salaries, records, supplies in handling the textbooks and for repaying the original amount used from the local or tuition fund in purchasing the textbooks. No other commodity except textbooks shall be handled by the State Textbook Depository. An audit and report shall be made of this fund at the time of the general audit and report of each school is made.

"Sec. 5. The disbursement shall be paid out of the Textbook Fund in the same manner as is paid out of the local or tuition fund.

"Sec. 6. Any college book store, co-op, or any other manner of college book store, selling books in conjunction with the State institution of higher learning shall transfer their textbooks and other assets to the governing body of such institution by September 1, 1935, if said books and other assets belong to the State of Texas.

"Sec. 7. No student shall be required to pay the textbook fee, and any student may purchase books from the State Textbook Depository in each institution at the wholesale prices of the textbooks plus the handling cost of the textbooks.

"Sec. 8. After a textbook has been adopted by any department of a State institution, it shall not be changed until the end of three years of use, except by the consent of the board of regents of such institution."

The committee amendment was adopted.

Mr. Alsup offered the following amendment to the bill:

Amend House Bill No. 27 by adding the following at the proper place:

"Sec. 6. The fact that there are many students attending the higher institutions of education in this State, who are required to purchase books, equipment, supplies and stationery in the pursuit of their studies, and that the cost of such books, equipment, supplies and stationery is in some cases exorbitant, works a hardship upon the people of the State and creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each house, be suspended, and such rule is hereby suspended, and this Act shall take effect and be in force from

and after its passage, and it is so enacted."

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and to the body of the bill.

House Bill No. 27 was then passed to engrossment.

"Sec. 3. All payments made under the order of the court in such county in wife and child desertion cases for the support of wives and children shall be paid in to said probation officer working in said court as an officer of the court, and said probation officer shall disburse said funds for the benefit of the wife and/or children of the defendant making such payment in such manner as shall appear to the court to be for the best interest of said wife and/or children.

"Sec. 4. Said probation officer shall make a surety bond in some solvent surety company authorized to make such bonds in Texas conditioned upon the faithful performance of the duties of his position and further conditioned upon his properly accounting for any moneys entrusted to him, said bond to be in such amount as may be fixed by the county auditor and subject to the approval of the county auditor.

"Sec. 5. Said probation officer in such county with a population in excess of 350,000, according to the last preceding Federal Census, shall keep a complete record of all his investigations and of his receipts and disbursements of all moneys which shall be a public record open to the inspection of the public, and it shall be the duty of the county auditor to inspect and examine such records and audit such accounts quarterly, making due report of his findings and recommendations with respect thereto to the county juvenile board.

The county juvenile board in counties having a population of over 350,000, according to the last preceding or any future Federal Census, is hereby authorized and required to appoint a supervising head of county institutions having to do with juveniles, delinquents and dependants of such county which said supervising head of county institutions may be the county probation officer of said county who, if appointed, shall serve without additional salary or in the discretion of the county juvenile board; any person may be selected by such board as the supervising head of county institutions, who shall be paid a salary not in excess of \$5,000 a year to be agreed upon by said juvenile board and the county commissioners court, and said county juvenile board is hereby authorized and required to appoint the heads of all county institutions having to do with juveniles, delinquents, and dependants, including county poor farms and old folks' homes. The heads of various institutions shall be authorized to select such other employes for their institutions as may be determined or needed, by the county juvenile board, at such salary as may be fixed by said county juvenile board, and such salaries are to be

subject to the approval of the county commissioners court.

"Sec. 7. Said supervising head of the county institutions in such counties or other county officers under his direction, is hereby required to follow up and supervise all cases committed to such institutions as are provided or may be provided for juveniles, delinquents, and dependants until they become of age, reporting to the juvenile board from time to time as required by it for its approval and action. The commissioners court shall provide the necessary funds for the operation of all such institutions."

Sec. 2. All laws or parts of laws in conflict herewith be, and the same are hereby, repealed to the extent of the conflict only.

Sec. 3. If any article, section, sentence, clause, or phrase of this Act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Act. The Legislature hereby declares that it would have passed this Act and each section, sentence, clause, and phrase thereof, irrespective of the fact that any one or more of the sections, sentences, clauses, or phrases should be declared to be unconstitutional.

Sec. 4. The fact that the expense of the operating and maintenance of the institutions involved in this Act can be reduced by co-ordinating the authority and responsibility and that a co-ordination, now impossible under present laws, would add to the effectiveness of our social progress and greatly reduce the number of delinquencies and dependencies among juveniles, and that a more effective manner of dealing with juveniles, delinquents, and dependants is badly needed create an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three separate days in each house, be suspended, and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes, and to the body of the bill.

House Bill No. 832 was then passed to engrossment.
